ESPRESSO PERFECTION

Caffé Latte - A smooth blend of select espresso and creamy frothed milk topped with a thin coating of foamed milk. New to lattes? Try something sweet and familiar, like a Vanilla or Caramell!

Mocha - Our popular Caffé Latte with a splash of mocha and a dash of cocoa on top. Sure to please the sweet tooth in you!

Cappuccino - With Abbot's Halo. Essentially the same ingredients as a latte, but a smidge stronger because of its higher espresso content, served with a thicker layer of foamed milk and a dash of cinnamon.

Espresso - Extra dark roast, pulled to perfection with rich crema. Smooth and delicious.
